

ALL PURPOSE CARPET STAIN REMOVER

LYNX ALL PURPOSE CARPET STAIN REMOVER An all-purpose, ready to use stain and spot remover for use on carpets and rugs.

Removes oil based and water borne stains. Excellent for removal of mud, grease, tar, dirt, and food stains.

DIRECTIONS: Do not apply directly to carpet. Put on a clean sponge and apply to the stain by blotting it from the outside toward the middle. Apply sparingly and rinse thoroughly. As with all stain and spot removers, it is recommended that the product be used in an obscure area to assure color fastness of the material being cleaned. This is merely a safety precaution as this product should be safe for use on most carpets and rugs.

CAUTION: Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product. Refer to M.S.D.S. and product label for additional safety information.
